SCALE UP YOUR STARTUP

GeM's STARTUP RUNWAY CAN PROPEL
YOU UP TO THE BIG LEAGUE

**TO REGISTER
YOUR STARTUP ON
STARTUP RUNWAY
SCAN THIS QR CODE**

Launched in November 2019, GeM's Startup Runway has changed the lives of tens of thousands of startup entrepreneurs of this nation. This initiative aligns seamlessly with Startup India, a Government initiative aimed at nurturing innovation, fostering economic growth, and generating employment opportunities on a large scale. Through this initiative, GeM has been amplifying visibility for thousands of startups and connecting them with Government buyers nationwide. No wonder, the number of startups on the GeM platform is increasing at an incredible pace!

MeitY Startup Hub

The MeitY Startup Hub (MSH) is a digitally-driven initiative of MeitY to promote, strengthen & enhance startup ecosystem by integrating resources, upskilling entrepreneurs, facilitating knowledge transactions, and promoting investments in deep-tech startups through various schemes and programs. It supports inclusive socio-economic development in India and international expansion programs for startups.

MSH OFFERINGS

Schemes

TIDE 2.0, SAMRIDH, GENESIS

Initiatives which offers support, incentives, funding to promote the growth of startup ecosystem to facilitate the success of startups.

Programs & Challenges

MSH runs different programs and challenges in collaboration with corporations, governments, & international entities to support startups focused on specific themes and sectors.

Resources

Through MeitY Startup Hub network and portal, MSH offers access to mentors, investors, and physical infrastructure support to the startup ecosystem.

Address :	109, UDYOG KENDRA EXTN-1 Ecotech 3 Gautam Buddha Nagar Uttar Pradesh India 201306
Contact Person :	Mr. Shobhit Agarwal
Designation :	Director
Mobile :	+91 9717279078
Email :	shobhit9769@gmail.com
Website :	4DeAutomotive.com
Sector:	B2B and Manufacturing
Profile:	

E-Cruz Motors is a BLDC motor manufacturing company. The company started as a small venture with a team of 6 employees and a small manufacturing unit in Greater Noida. We, the founders of E-Cruz Motors, had an experience of 3 years in the electric vehicle manufacturing field. As per our experience and depending upon the increasing demand, potential and growth of Made in India products in the field of EV Motors, we decide to come up with a solution to manufacture our own BLDC motors.
